SURVIVORS

THE FOURTH HORSEMAN • GENESIS

by TERRY NATION

A conical flask smashes in a far off laboratory. So begins the unknown virus which is to change the face of mankind. As the bodies pile up, a small number of survivors struggle to rebuild their shattered lives and the dramatic seventies BBC TV serial spreads on to BBC Video...

THE FOURTH HORSEMAN

"I've told you to get out of London... because if the death rate keeps accelerating at this speed we're not going to be able to bury our dead..."

New York has declared a state of emergency. London is in chaos. The mysterious virus sweeping the world is relentless. Jenny Richards packs a small bag and prepares to leave the city for the safety of the country. Surely somone must be alive out there?

GENESIS

With her husband dead and her son Peter missing, Abby Grant sets fire to her house and her old life. But how to rebuild the future? Settlements must be formed, the old ways relearnt. The way ahead will not be easy. First she must find her fellow survivors...

GONE AWAY • CORN DOLLY

by TERRY NATION & JACK RONDER

A conical flask smashes in a far off laboratory. So begins the unknown virus which is to change the face of mankind. As the bodies pile up, a small number of survivors struggle to rebuild their shattered lives and the dramatic seventies BBC TV serial spreads on to BBC Video...

GONE AWAY

"We'll have to grow food and things, learn to look after ourselves...If our children and their children are going to survive..."

The survivors must work together. It is the only way to found a new future. But what of the people like Arthur Wormley, self appointed president of the "Emergency Administration", out for self gain and power? What will become of Britain if they get their way?

CORN DOLLY

"How many doctors are left in Britain? 20 or 1? Or none? No, the problem of the next generation...is a very urgent one"

Charles is a man with a vision and his plan to form small settlements of survivors working together appeals to Abby, Greg and Jenny. Then Abby makes an unsettling discovery about the nature of her role as a woman in his new society...

SURVIVORS

GONE TO THE ANGELS • GARLAND'S WAR

by JACK RONDER & TERRY NATION

A conical flask smashes in a far off laboratory. So begins the unknown virus which is to change the face of mankind. A small number of survivors, miraculously spared from death, struggle to rebuild their shattered lives and the dramatic seventies BBC TV serial spreads on to BBC Video...

GONE TO THE ANGELS

As Greg and Jenny grow closer, Abby's relentless search for her son and her peace of mind continues. A new quest presents itself – to make contact with a group of believers, the Angels, isolated in the Derbyshire mountains since before the plague. Perhaps they can give Abby the guidance she needs?

GARLAND'S WAR

The potentially hostile Waterhouse settlement could be Abby's last chance to find her son, Peter. But, as she sets out full of hope once more, she hasn't reckoned on the actions of one Jimmy Garland and his very own private war...

STARVATION • SPOIL OF WAR

by JACK RONDER & M. K. JEEVES

A conical flask smashes in a far off laboratory. So begins the unknown virus which is to change the face of mankind. A small number of survivors, miraculously spared from death, struggle to rebuild their shattered lives and the dramatic seventies BBC TV serial spreads on to BBC Video...

STARVATION

With food supplies running out and packs of wild dogs roaming the country, Greg, Abby and Jenny decide to form a settlement and plan for the future. Somewhere where everyone, including the avaricious Tom Price, can live together. But first they must find a suitable place, a house that can be easily defended from the outside world...

SPOIL OF WAR

With the settlement growing, Abby, Greg and Jenny must farm their new land efficiently to produce enough food for everyone. But with only a cow, a pony, six chickens, a broken tractor and no farming knowledge, the situation looks desperate. Until the arrival of Paul...

LAW AND ORDER • THE FUTURE HOUR

by M.K.JEEVES & TERRY NATION

A conical flask smashes in a far off laboratory. So begins the unknown virus which is to change the face of mankind. A small number of survivors, miraculously spared from death, struggle to rebuild their shattered lives and the dramatic seventies BBC TV serial spreads on to BBC Video...

LAW AND ORDER

With constant bickering taking its toll on the unity of the survivors' community, Abby organises a party to celebrate May Day in style. But the celebrations turn to grief with the discovery of a murderer in their midst...

THE FUTURE HOUR

When the heavily pregnant Laura seeks sanctuary with them, Abby has no hesitation in welcoming her into the group: their future lies with children after all. However, Greg's not so convinced when he finds out that she's the "wife" of gun-toting dictator Bernard Huxley who will stop at nothing to get her back...

REVENGE • SOMETHING OF VALUE • A BEGINNING

by JACK RONDER & TERRY NATION

A conical flask smashes in a far off laboratory. So begins the unknown virus which is to change the face of mankind. A small number of survivors, miraculously spared from death, struggle to rebuild their shattered lives and the dramatic seventies BBC TV serial spreads on to BBC Video...

REVENGE

With food and fuel in short supply, the appearance of two strangers in a petrol tanker seems nothing short of a miracle. Until Vic finds out that one of them is the woman who left him for dead those long weeks ago...

SOMETHING OF VALUE

When a heavy rainstorm floods all of their stores, Abby and Greg realise their only hope of surviving through the winter lies in bartering with another group 30 miles away. Petrol must be their currency. So the advent of three rapacious strangers, intent on stealing it, is catastrophic...

A BEGINNING

With the squabbling amongst the group reaching fever pitch, Abby withdraws into herself, leaving the group to fend for themselves. Can Jimmy Garland provide her with the space she craves? What will happen to Greg, Jenny and the others without her?
